ABOUT GEITA GOLD MINING LTD

Geita Gold Mining Ltd (GGML) is Tanzania's leading gold producer with a single operation in Geita Region. The company is a subsidiary of AngloGold Ashanti, an international gold producer headquartered in South Africa, with operations in more than ten countries, in four continents. The mine is situated in the Lake Victoria Gold fields of Northwestern Tanzania, only about 85 km's from Mwanza City and 20 km's South East of the nearest point of Lake Victoria. The company has its head office in Geita, only 5 Km's west of the fast-growing town of Geita, and also a supporting office in Dar es Salaam. GGML undertakes to offer internship opportunities to fresh Tanzanian graduates of various disciplines, to take place at Geita Gold Mine, Geita Tanzania, with the aim of **"Enhancing Graduates Employability in Tanzania"**. Applications are invited from ambitious, energetic and performance driven graduates to take part in the company internship programmes as described below:

PURPOSE OF THE GGML INTERNSHIP PROGRAMME:

Geita Gold Mining Ltd (GGML) has been a strong supporter to the government initiatives to enhance graduates' employability in Tanzania, having implemented internships and other graduate programmes for several years. GGML is contributing towards skills development in Tanzania by providing graduates with opportunities to gain work experience in various skills areas. The internship Programme provides an opportunity to unemployed graduates to gain meaningful work experience that will complement their studies and provide them with experience that could help them gain access to the labour market. The internship is for fixed term (12 months) and there is no guarantee of any offer of employment by the company on expiry of the internship period. At the minimum, GGML Internship Programme shall be undertaken in accordance with the "National Internship Guidelines" as published by the Prime Minister's Office, Labor, Youth, Employment and Disability in September 2017.

INTERN POST(S) AND QUALIFICATIONS REQUIRED:

- Open pit HME Maintenance (2 posts) - BSc in Mechanical Engineering.
- **Female Graduates and People with Disability are highly encouraged to apply.**

ELIGIBILITY:

To qualify for the internship post(s), one **MUST:**

- Be a Tanzanian citizen.
- Be an unemployed Tanzanian graduate aged between 18 – 30 years.
- Have completed a BSc in Mechanical Engineering with a minimum GPA of 3.5
- Have graduated between 2020 and 2022. The candidate must possess a valid degree certificate. Transcripts only or provisional results will not be accepted.

DOCUMENTS REQUIRED & HOW TO APPLY:

- Please apply through our recruitment portal by following the link below. Please click the link or type the URL address on a website browser to access the application portal.

- On the portal you will be required to upload your updated **Resume** (2 pages only and in PDF format). On the portal use the field named 'Resume' to upload the resume.
- Scanned copies of university **Degree Certificate** and your full Degree **Transcript** (provisional results will not be accepted). Please combine certificate and transcript and upload as one PDF document, don't upload separately. On the portal use the field named 'Cover Letter' to upload the certificates.

INTERNSHIPS

ABOUT GEITA GOLD MINING LTD

Geita Gold Mining Ltd (GGML) is Tanzania's leading gold producer with a single operation in Geita Region. The company is a subsidiary of AngloGold Ashanti, an international gold producer headquartered in South Africa, with operations in more than ten countries, in four continents. The mine is situated in the Lake Victoria Gold fields of Northwestern Tanzania, only about 85 km's from Mwanza City and 20 km's South East of the nearest point of Lake Victoria. The company has its head office in Geita, only 5 Km's west of the fast-growing town of Geita, and also a supporting office in Dar es Salaam. GGML undertakes to offer internship opportunities to fresh Tanzanian graduates of various disciplines, to take place at Geita Gold Mine, Geita Tanzania, with the aim of **"Enhancing Graduates Employability in Tanzania"**. Applications are invited from ambitious, energetic and performance driven graduates to take part in the company internship programmes as described below:

PURPOSE OF THE GGML INTERNSHIP PROGRAMME:

Geita Gold Mining Ltd (GGML) has been a strong supporter to the government initiatives to enhance graduates' employability in Tanzania, having implemented internships and other graduate programmes for several years. GGML is contributing towards skills development in Tanzania by providing graduates with opportunities to gain work experience in various skills areas. The internship Programme provides an opportunity to unemployed graduates to gain meaningful work experience that will complement their studies and provide them with experience that could help them gain access to the labour market. The internship is for fixed term (12 months) and there is no guarantee of any offer of employment by the company on expiry of the internship period. At the minimum, GGML Internship Programme shall be undertaken in accordance with the "National Internship Guidelines" as published by the Prime Minister's Office, Labor, Youth, Employment and Disability in September 2017.

INTERN POST(S) AND QUALIFICATIONS REQUIRED:

- Geotechnical Engineering (2 posts) - BSc. in Geotechnical Engineering, Engineering Geology.
- **Female Graduates and People with Disability are highly encouraged to apply.**

ELIGIBILITY:

To qualify for the internship post(s), one **MUST:**

- Be a Tanzanian citizen.
- Be an unemployed Tanzanian graduate aged between 18 – 30 years.
- Have completed a BSc. in Geotechnical Engineering, Engineering Geology with a minimum GPA of 3.5.
- Have graduated between 2020 and 2022. The candidate must possess a valid degree certificate. Transcripts only or provisional results will not be accepted.

DOCUMENTS REQUIRED & HOW TO APPLY:

- Please apply through our recruitment portal by following the link below. Please click the link or type the URL address on a website browser to access the application portal.

- On the portal you will be required to upload your updated **Resume** (2 pages only and in PDF format). On the portal use the field named 'Resume' to upload the resume.
- Scanned copies of university **Degree Certificate** and your full Degree **Transcript** (provisional results will not be accepted). Please combine certificate and transcript and upload as one PDF document, don't upload separately. On the portal use the field named 'Cover Letter' to upload the certificates.

The company is a subsidiary of AngloGold Ashanti, an international gold producer headquartered in South Africa, with operations in more than ten countries, in four continents. The mine is situated in the Lake Victoria Gold fields of Northwestern Tanzania, only about 85 km's from Mwanza City and 20 km's South East of the nearest point of Lake Victoria. The company has its head office in Geita, only 5 Km's west of the fast-growing town of Geita, and also a supporting office in Dar es Salaam. GGML undertakes to offer internship opportunities to fresh Tanzanian graduates of various disciplines, to take place at Geita Gold Mine, Geita Tanzania, with the aim of **"Enhancing Graduates Employability in Tanzania"**. Applications are invited from ambitious, energetic and performance driven graduates to take part in the company internship programmes as described below:

PURPOSE OF THE GGML INTERNSHIP PROGRAMME:

Geita Gold Mining Ltd (GGML) has been a strong supporter to the government initiatives to enhance graduates' employability in Tanzania, having implemented internships and other graduate programmes for several years. GGML is contributing towards skills development in Tanzania by providing graduates with opportunities to gain work experience in various skills areas. The internship Programme provides an opportunity to unemployed graduates to gain meaningful work experience that will complement their studies and provide them with experience that could help them gain access to the labour market. The internship is for fixed term (12 months) and there is no guarantee of any offer of employment by the company on expiry of the internship period. At the minimum, GGML Internship Programme shall be undertaken in accordance with the "National Internship Guidelines" as published by the Prime Minister's Office, Labor, Youth, Employment and Disability in September 2017.

INTERN POST(S) AND QUALIFICATIONS REQUIRED:

- UG Mining production (2 posts) - BSc in Mining Engineering.
- **Female Graduates and People with Disability are highly encouraged to apply.**

ELIGIBILITY:

To qualify for the internship post(s), one **MUST:**

- Be a Tanzanian citizen.
- Be an unemployed Tanzanian graduate aged between 18 – 30 years.
- Have completed a BSc in Mining Engineering with a minimum GPA of 3.5
- Have graduated between 2020 and 2022. The candidate must possess a valid degree certificate. Transcripts only or provisional results will not be accepted.

DOCUMENTS REQUIRED & HOW TO APPLY:

- Please apply through our recruitment portal by following the link below. Please click the link or type the URL address on a website browser to access the application portal.

- On the portal you will be required to upload your updated **Resume** (2 pages only and in PDF format). On the portal use the field named 'Resume' to upload the resume.
- Scanned copies of university **Degree Certificate** and your full Degree **Transcript** (provisional results will not be accepted). Please combine certificate and transcript and upload as one PDF document, don't upload separately. On the portal use the field named 'Cover Letter' to upload the certificates.

The mine is situated in the Lake Victoria Gold fields of Northwestern Tanzania, only about 85 km's from Mwanza City and 20 km's South East of the nearest point of Lake Victoria. The company has its head office in Geita, only 5 Km's west of the fast-growing town of Geita, and also a supporting office in Dar es Salaam. GGML undertakes to offer internship opportunities to fresh Tanzanian graduates of various disciplines, to take place at Geita Gold Mine, Geita Tanzania, with the aim of **"Enhancing Graduates Employability in Tanzania"**. Applications are invited from ambitious, energetic and performance driven graduates to take part in the company internship programmes as described below:

PURPOSE OF THE GGML INTERNSHIP PROGRAMME:

Geita Gold Mining Ltd (GGML) has been a strong supporter to the government initiatives to enhance graduates' employability in Tanzania, having implemented internships and other graduate programmes for several years. GGML is contributing towards skills development in Tanzania by providing graduates with opportunities to gain work experience in various skills areas. The internship Programme provides an opportunity to unemployed graduates to gain meaningful work experience that will complement their studies and provide them with experience that could help them gain access to the labour market. The internship is for fixed term (12 months) and there is no guarantee of any offer of employment by the company on expiry of the internship period. At the minimum, GGML Internship Programme shall be undertaken in accordance with the "National Internship Guidelines" as published by the Prime Minister's Office, Labor, Youth, Employment and Disability in September 2017.

INTERN POST(S) AND QUALIFICATIONS REQUIRED:

- Training UG (1 Post) - BSc in Mining Engineering.
- **Female Graduates and People with Disability are highly encouraged to apply.**

ELIGIBILITY:

To qualify for the internship post(s), one **MUST:**

- Be a Tanzanian citizen.
- Be an unemployed Tanzanian graduate aged between 18 – 30 years.
- Have completed a BSc in Mining Engineering with a minimum GPA of 3.5.
- Have graduated between 2020 and 2022. The candidate must possess a valid degree certificate. Transcripts only or provisional results will not be accepted.

DOCUMENTS REQUIRED & HOW TO APPLY:

- Please apply through our recruitment portal by following the link below. Please click the link or type the URL address on a website browser to access the application portal.

- On the portal you will be required to upload your updated **Resume** (2 pages only and in PDF format). On the portal use the field named 'Resume' to upload the resume.
- Scanned copies of university **Degree Certificate** and your full Degree **Transcript** (provisional results will not be accepted). Please combine certificate and transcript and upload as one PDF document, don't upload separately. On the portal use the field named 'Cover Letter' to upload the certificates.

Geita Gold Mining Ltd (GGML) has been a strong supporter to the government initiatives to enhance graduates' employability in Tanzania, having implemented internships and other graduate programmes for several years. GGML is contributing towards skills development in Tanzania by providing graduates with opportunities to gain work experience in various skills areas. The internship Programme provides an opportunity to unemployed graduates to gain meaningful work experience that will complement their studies and provide them with experience that could help them gain access to the labour market. The internship is for fixed term (12 months) and there is no guarantee of any offer of employment by the company on expiry of the internship period. At the minimum, GGML Internship Programme shall be undertaken in accordance with the "National Internship Guidelines" as published by the Prime Minister's Office, Labor, Youth, Employment and Disability in September 2017.

INTERN POST(S) AND QUALIFICATIONS REQUIRED:

- Reliability Engineering (1 post) - BSc in Mechanical Engineering.
