Invitation for Application for

AIRCRAFT MAINTENANCE ENGINEERING (AME) TRAINING LOAN

On behalf of the TCAA Training Fund Committee, Tanzania Civil Aviation Authority invites qualified Tanzanians to apply for training loan on the field of Aircraft Maintenance Engineering (10 positions)

1.0. BACKGROUND OF THE AUTHORITY

The Tanzania Civil Aviation Authority (the Authority) is established pursuant to the Civil Aviation Act, Cap. 80. of 2020. The Act mandates the Authority to provide safety, security, and economic oversight of the civil aviation industry in Tanzania. The regulated services fall in three categories: air transport services, aeronautical airport services (airside airport operations, ground handling, in-flight catering, and aviation fueling) and air navigation services. In addition, the Authority provides air navigation services in Tanzania.

2.0. TCAA TRAINING FUND

Subsequent to its establishment, the Authority also established the TCAA Training Fund pursuant to section 3 (1) of the Civil Aviation (Contribution and Administration of the Training Fund) Regulations, 2013 as amended in 2016. The main purpose of the Training Fund among others is to train Tanzanians in aviation specialities such as Pilot and Aircraft Maintenance Engineering.

3.0. TRAINING INSTITUTION AND DURATION OF THE TRAINING

The training will be offered at Ethiopian Aviation Academy for a period of 22 months starting from early 2023.
