

**NEW JOBS**

**8 POSITIONS AT  
IFAKARA HEALTH  
INSTITUTE**

# DATA MANAGEMENT SPECIALIST REQUIRED

@ifakarahealth seeks a Data Management Specialist who will be responsible for designing and implementing data-centric systems tailored to the Institute's requirements. The position's primary role encompasses formulating systems, protocols, and guidelines for effective data management within the organization.

# SENIOR HUMAN RESOURCES (HR) AND ADMINISTRATION MANAGER REQUIRED

@ifakarahealth seeks a Senior Human Resources (HR) and Administration Manager will provide leadership and strategic direction in support of the organisation's programs, strategic priorities, and associated culture change process through the design, implementation, and direction of human resources programs and services to maximize Institutional strength.

The role's responsibilities encompass ensuring that the organization has the right talent pool—individuals with the appropriate skills, experiences, and headcount—to achieve its strategic objectives.

# SENIOR RESEARCH COORDINATOR REQUIRED

@ifakarahealth seeks a Senior Research Coordinator who will be responsible for organizing and coordinating projects across departments in the Directorate of Science. Additionally, the position will support the management of various tasks such as project reporting, and organizing workshops, and meetings on behalf of the DoS.

Acting as a liaison with other units, including grants, contracts, finance, and procurement, the coordinator will ensure comprehensive support for all projects, facilitating effective delivery.

# **BUSINESS DEVELOPMENT AND PARTNERSHIP SPECIALIST REQUIRED**

@ifakarahealth seeks a Business Development and Partnership Specialist who will be responsible for expanding the organization's visibility and establish meaningful connections that contribute to supporting its objectives.

# **MONITORING, EVALUATION AND LEARNING (MEL) SPECIALIST REQUIRED**

@ifakarahealth seeks a Monitoring, Evaluation and Learning (MEL) Specialist who will be responsible for ensuring the continual relevance of monitoring frameworks within an evolving context and ensures alignment and consistency of key performance indicators (KPIs) across planning and program documentation.

# **DIRECTOR OF RESOURCES MOBILIZATION AND STAKEHOLDERS ENGAGEMENT REQUIRED**

@ifakarahealth seeks a Director of Resources Mobilization and Stakeholders Engagement who will be responsible to lead and orchestrate the formulation and execution of comprehensive strategies aimed at securing funding, nurturing partnerships, and amplifying the visibility of the organization.

# SENIOR MANAGEMENT ACCOUNTANT REQUIRED

@ifakarahealth seeks a Senior Management Accountant who will ensure the smooth operation of the organisation's Finance Department, the effective provision of financial management services, and robust oversight of internal control systems.

Working in full compliance with all applicable organisation and donor rules, regulations, and country laws, the Senior Management Accountant provides program/projects data and analysis to the Management Team, aiding in business decision-making and control.

# SENIOR FINANCE MANAGER REQUIRED

@ifakarahealth seeks a Senior Finance Manager who will play a pivotal role in steering the financial direction of the organisation, ensuring financial stability, compliance, and sustainable growth while ensuring adherence to best practices and regulatory standards.
